Notice: It's advisable to arrive 10 minutes early for your treatment to make the most of our space.

Facial Treatments

Facial cleaning + Hydrapro: Deep cleansing and exfoliation combined with a Hydrapro device to boost results by 100%

- 50min 80€

Teen Clean: Our Teen Clean Facial Treatment is specifically designed to meet the unique needs of young skin, helping to eliminate acne, enlarged pores, blackheads, excess sebum, and skin impurities

- 80€ 50min

Facial Radiofrequency + Suction: A treatment that enhances skin firmness, combats wrinkles, and improves facial hydration through electromagnetic waves

- 50min 90€

Facial treatment with Dermapen: The Dermapen uses microneedles to stimulate collagen and elastin production, regenerating the skin

- 60min 150€

Photorejuvenation: It acts on the deeper layers of the skin, stimulating the natural production of collagen. The result is a visible improvement in the skin's appearance, especially in cases of dark spots, fine wrinkles, enlarged pores, rosacea, and visible blood vessels

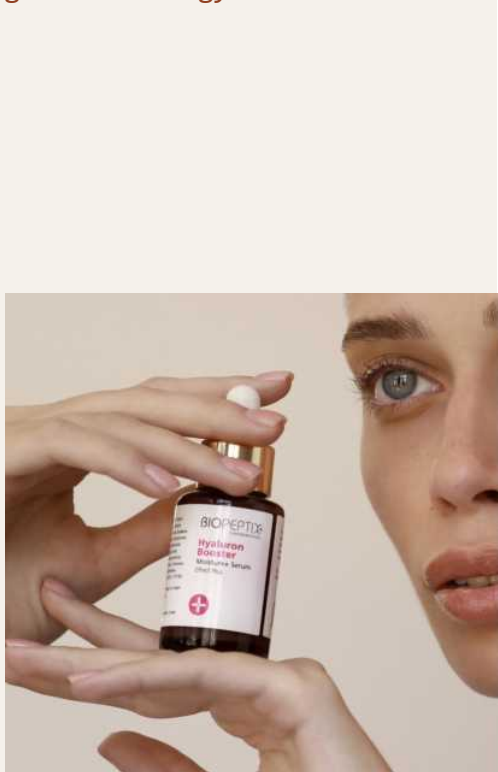

- 60min 150€

Manual Facial Lifting + Buccal Massage By Vera Fernandes: It is a deep facial massage technique performed with the hands, designed to stimulate the facial muscles, improve blood circulation, tone the skin, and prevent sagging—completely natural, without the use of needles or devices

- 50min 120€

Facial Treatments
